

# How To Pay

## 1. Payment Options

A non-refundable downpayment is required before the **band up** appointment. The remaining balance will be required on the **band up** day. In order to make treatment more affordable, we offer flexible payment options to suit your individual circumstances.

1. **Advanced Payment:** If you choose to pay off the total treatment fee before the treatment commences, you may receive an advance cash payment discount. To receive this discount, full payment will need to be made before your **band up** appointment.
2. **Interest-free Monthly Instalment:** This is an Interest Free payment plan offered by our clinic. No credit or finance checks are required. Please refer to your Quotation for payment terms and amount. All monthly instalments must be settled by **Direct Debit**. Other payment methods are not accepted.

## 2. Direct Debit

By choosing Direct Debit you authorise us to debit your nominated account in the manner specified in the *Direct Debit Request form*. Please return the *Direct Debit Form* on or before the day of your **band up** appointment. Payments for Direct Debit are charged on the 1<sup>st</sup> or 15<sup>th</sup> of each month according to your preference.

1. **Direct Debit from Bank Account - no setup fee, no bank fee**
2. **Direct Debit from Credit Card - no setup fee, 1% bank fee**

A **late fee** will be charged if the Direct Debit transaction is dishonoured by your bank. Please make sure you have sufficient funds in the nominated account to avoid unnecessary charges.
